## First Win of the Season

MRS. NOWITZKI

Killdeer regrouped after their first game, and they stampeded Southern McLean with a score of 46-20.

Quarterback, Zack Andersen, led his team with rushing 276 yards on 30 carries, and he ultimately achieved four touchdowns.

The team was in sync with each other, and out of the eight passes that were caught, two made it to the end zone. Dawson Schneider caught both of the touchdown passes, and Keith Dukart had a rushing touchdown at the end of the game.

Everyone is excited for the upcoming homecoming game. Show your Cowboy's team spirit, and fill the stands with orange and black.

## Killdeer Varsity Volleyball

LIZA STAHL

Before the game, the team gathered in the locker room to talk about the game plan for the night. One of the things they talked about was each of their individual goals for the game. Chelsey's goal was to surprise the opposing team with a set that they were not expecting. Chelsey accomplished her goal by pulling off an amazing backwards set that caught New Town off guard. Our student section, while decked out in red, white, and blue, went crazy when she scored for our team. Killdeer ended up finishing the game early that night by winning three sets in a row.

FAITH NORBY

The Killdeer high school and community band members played many peppy tunes at the Friday night football game against Southern Mclean

Mrs. Walker’s science class did a speed and energy investigation on 9/10. They built 2 ramps per group; one was 5cm tall and one 10 cm tall. Then, they weighed two Hotwheel cars with a pan balance. After that, they needed to test and record how far each car went down each ramp. Once they record their data, they will be creating a bar graph to display the findings.
